

**The Event:**

**October's Annual Dinner: A Celebration of Northern Italy**

Join us on Saturday, October 21 for a celebration of the food and wine of Northern Italy. Italian wine production quality has increased greatly in the last few years sparking increased interest and availability. Here's your chance to sample some outstanding wine in the setting for which they were intended: accompanying a variety of delicious Italian dishes. We decided to concentrate on the northern part of the country for our wines and foods—a bit different than the standard Italian restaurant fare.

Wines will include a dry sparkling wine, a fine Soave, an exciting white from the Piedmont, and a great dry red from Veneto—certainly not your usual fare of Chianti, Lambrusco, and the like. The food will be equally varied, including some great fruit and vegetable antipasti, a first course of soup and fish, a second course featuring a fantastic rabbit dish, a refreshing salad, and two exquisite desserts to finish it off. Details of the menu and a reservation coupon will be mailed to you in late September. But be sure to save a space in your schedule for this event. It's likely to be the best meal you've had all year.
