

The Event:

What: Backyard Barbecue
When: Saturday Sept 7 at 2 pm
Where: Carl and Judy Herdering's garden
Cost: \$20 for members, \$23 for guests

The September tasting, our annual barbecue in the garden, will be held Saturday, September 7, 2002 at 2 PM in the beautiful, award winning backyard garden of Carl and Judy Herdering's (alas without the crispy squirrel) at NW 1225 Haven Circle, Pullman. During the critical mass buildup we will have a variety of refreshing, crispy warm-up wines. We plan on exploding into a tasting of a variety pinots that will include 3 1990 Burgundies (generic to village and then to premier cru vineyards), 3 1988-1989 Oregon, and 3 1999-2000 Oregon wines all from Amity, Elk Cove, and Chateau Benoit. Fallout will be a potluck barbecue with a drinking pinot to quench any burning pains. Grills will be provided. Plan on bringing your own table service (except glasses), something you believe would be great with pinot, and your radiation suit. Got questions?
