

**The Event:**

**Bordeaux Benefit Tasting**

Reserve a spot on your calendar—November 18, 2000. That's the date of our latest Bordeaux extravaganza. This time we will be trying wines from four decades (1960's, 1970's, 1980's, and 1990's): vintages to be sampled are all highly regarded, including 1966, 1970, 1982, and 1990. The actual wine list has not been finalized, but details will be mailed out to you in October. Ticket price will be about \$30 with all proceeds going to benefit a local youth organization.
