BV Private Reserve Cabernet Tasting

On Saturday, January 27 at 7:00pm we will be holding a unique tasting: a vertical collection of Beaulieu Vineyards Georges de Latour Private Reserve Cabernet Sauvignon. In the words of James Laube, wine writer for the Wine Spectator and author of *California's Great Cabernets*, this wine is "undoubtedly the most famous and prestigious Cabernet Sauvignon produced in California." Vintages include 1968, 1970, 1974, 1976, 1978, 1982, 1984, 1985, and the current release. A recent tasting by noted wine critic Steven Spurrier rated all these wines at 3+ or above on a 5 point scale, with the 1968 and 1970 receiving perfect 5's.

As we only have one bottle of each wine, seating will be limited to 23 people. A card with specific details will be sent out in early January. Costs are \$19 for members and \$21 for guests.
