This year's event will feature area professional vocal artists who will entertain us with festive song during the dessert-wine event. Three dessert 'ascents' are planned. Ascent 1 will feature a chocolate mousse dessert. The challenge will be to determine whether a light sparkling wine, port, or a cherry-rich merlot is best suited for this dessert. After an auditory break, a sherry, and a couple of Aussie stickies will be put to a test along side a fruit tart. Finally, a cheesecake will be paired with a sauterne and a riesling.

In the spirit of the season, participants are invited to donate an additional \$10-20 (above the cost of the event), which the Enological Society will donate to the Moscow Food Bank. In addition to your donation, we invite you to participate in our wine-auction fund raiser which will be held during the evening. All proceeds from the auction will go to the Food Bank.
