**Beresan/Balboa**

Winemaker Tom Glase from Beresan/ Balboa wines in Walla Walla will be sharing his wines with us on Saturday March 1st. Beresan is recognized as a very successful label in south Walla Walla, selling out of their wines year after year. Recently, winemaker Tom Glase has started his own label: Balboa. Balboa represents one of the best values in Walla Walla (e.g., \$15 cabernet sauvignon with all Walla Walla fruit), while still maintaining the high quality that Walla Walla wines are known for.
