Please join us on Saturday, Oct 11th at 7pm for a 7-course Mushroom Dinner with accompanying wines. The October dinner usually sells out so be sure to send your confirmation in early to guarantee a spot at the table. There will be mushrooms in every dish including dessert. While some dishes will include familiar mushrooms like cremini, oyster, shitake and portobellos, others will feature more exotic fare: "candy caps" from the Cascades, "black trumpets" and lobster mushrooms from the Pacific Northwest, "white fungus" from the Orient. We have refrained from using morels as a significant portion of people are allergic to them. Hope to see you all at the dinner.
