The Palouse Wine Tasters have invested in an aroma kit containing around 80 scents associated with wine. This is the first in our ongoing education of our sniffers using this kit. The idea is to familiarize ourselves with a subset of smells that should be associated with a flight of wine. Then we analyze blind, i.e. drink/smell, a flight of wine recording our impressions and see how we do. To make things interesting a bottle or two in each flight may be flawed in some manner and we will try to pick them out.

We are planning on four flights. Two white flights and two red flights. There may be more than three in each of the flights.

Flight One - White:

- Sauvignon Blanc
- Aussie Riesling
- Un-oaked Chardonnay

Flight Three - Red

- Zin
- Shiraz
- Grenache

Flight Two - White:

- Oak/Malo Chardonnay
- German Riesling or other pit fruit wine
- Gewürztraminer or other lychee

Flight Four - Aged Red

- Pinot
- Bordeaux
- Spanish

We will be having bread and cheese to help clear the palate between wines. **This tasting is limited to 24 people.** So please send in your reservations early. For more information on the event, please contact Tim Steffens, timsteffens@mac.com, 208-883-4533.
